

BANKING
REGULATION AND SUPERVISION
AGENCY

PRESS RELEASE

Number: 2008/12

June 6, 2008

“FİNTÜRK- Finance Map of Turkey” implementation presenting the distribution of financial data belonging to banking sector on Turkey geography has communized. It was aimed to present information to public, local and central decision makers, financial sector managers, academics and other persons concerned with FİNTÜRK implementation.

Similar information presented thereof within the scope of the said implementation is included currently on the web-sites, in different formats, of various agencies and institutions. FİNTÜRK implementation is presenting the information thereof, by making them subject to certain operations, in an interactive manner with the user, on a thematic map. In the said implementation, besides the data base of our Agency, it was profited from open-to-public information (the population information) of TSI (Turkish Statistical Institute) and of CBRT. FİNTÜRK implementation is available in the official web-site of Banking Regulation and Supervision Agency www.bddk.org.tr
